

## REAL ESTATE CPA SERVICES

### HOW WE HELP REAL ESTATE CLIENTS

Whether investing in an office building, developing a brownfields project, or flipping a city home, Glass Jacobson Financial Group's real estate clients benefit from the sound counsel of our seasoned real estate CPA professionals. Our firm has over 50 years of experience in advising the real estate community on various topics including tax issues and wealth transfer. Our clients are developers, investors, contractors, landlords and a host of other firms that are real estate focused. We offer comprehensive real estate accounting solutions, including tax preparation & planning, acquisition due diligence, 1031 exchange advice, and many more.

#### We can help with:

Tax Preparation & Planning

Acquisition Due Diligence

Accounting & Audit

Business Consulting

Cost Segregation Analysis

1031 Exchanges

Tax Deferral Transactions

Passive Activity Deductions

#### ABOUT GLASS JACOBSON

For over fifty years Glass Jacobson Financial Group has been investing in “going the distance” with our clients. Our firm was built on the belief that it is our fiduciary responsibility to provide personalized and strategic guidance to our clients. We are not number crunchers. Instead, we pride ourselves on our ability to provide sound “big picture” advice in practical terms. Call us at 800-356-7666 or send us an email us at [info@glassjacobson.com](mailto:info@glassjacobson.com) to learn more!
